

PERFORMANCE **DISCOVERY FE**  
15W30

**— SAVE —**  
**1 LITRE DIESEL**  
**ON EVERY 100 KMS.**

**FRICITION**  
**CONTROL**  
**FORMULA**

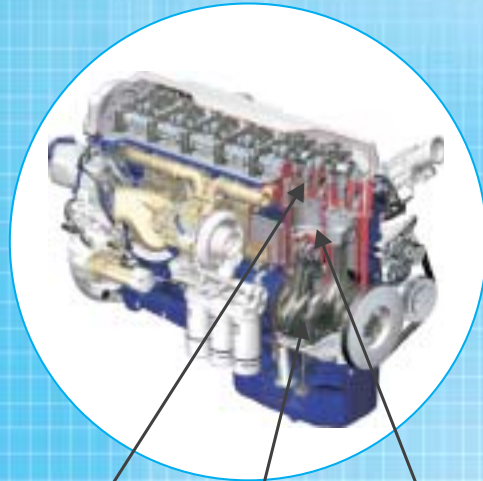

REDUCES ENGINE FRICTION.  
SAVES DIESEL.

PERFORMANCE **DISCOVERY FE**  
15W30

A large amount of diesel is consumed due to the friction in three major engine components:

Friction along the  
Valve Train

Friction between  
Crankshaft  
& Bearings

Friction between  
Piston &  
Cylinder Liner

In current transportation scenario, where the rate of diesel is steadily increasing but freight rates are stagnant, you need an engine oil that can save diesel by reducing engine friction.

ELF PERFORMANCE DISCOVERY FE 15W30 is a highly advanced multigrade diesel engine oil, internationally reputed for its diesel saving properties in commercial vehicle diesel engines. It is formulated with **FRICION CONTROL FORMULA** to save 1 litre of diesel on every 100 kms.

**FRICION  
CONTROL  
FORMULA**

### HOW FRICTION CONTROL FORMULA SAVES DIESEL:

FRICION CONTROL FORMULA reduces the friction between three major engine components.

FRICION CONTROL FORMULA reduces friction between piston & cylinder liner

FRICION CONTROL FORMULA reduces friction between crankshaft & bearings

FRICION CONTROL FORMULA reduces friction along valve train i.e. between camlobe & tappets, tappet & valve, etc.

Reducing friction enables components to slide effortlessly and consume less fuel. In a 25 ton multi-axle truck, **1 litre of diesel is saved on every 100 kms.**

ELF Performance Discovery FE 15W30 is approved by major international commercial vehicle manufacturers:

Renault Trucks RLD-2  
MAN M 3275  
DAIMLER CHRYSLER MB 228.3  
MACK EO-M+  
CUMMINS CES - 2007/20072/20077/20078

Recommended for use in all trucks manufactured by TATA Motors, Ashok Leyland, VOLVO, MAN, Daimler Chrysler, Cummins, etc.

Exceeds the requirements of API CI-4, /CH-4/CG-4/CF-4/CF/CF-2/SJ, ACEA E5/E7, GLOBAL DHD-1. It also meets the requirements of EURO IV and Bharat Stage III compliance engines fitted with catalytic converters.

Available in 1, 10, 15, 50 and 210 litre packs
